## REDEFINING LOVE ON V-DAY

### STRONGHOLD INSURANCE PROVIDES MEDICAL ASSISTANCE IN SURIGAO CITY

Stronghold Insurance's Butuan Branch chose to celebrate Valentine's Day in a more unconventional way by providing medical assistance to more than 200 patients in Surigao City on February 14, 2020.

Free consultation, urinalysis, and cholesterol, blood sugar and vision screening were conducted at the Primeglee Bldg. cor. San Nicolas & Diez Sts., Surigao City (PhilHealth Surigao office).

Mr. Richard T. Rabisanto, Stronghold Butuan Branch Manager, spearheaded the activity in partnership with PhilHealth Surigao (and in coordination with Caraga Regional Hospital, City Health Office, PAMET-SDN Chapter, Unilab, Philippine Medical Association, Philippine Nurses Association and Guerra-Francis Foundation).

The CSR activity is still part of the company's celebration for its upcoming 60th anniversary on March 21. Beyond providing excellent insurance services, Stronghold also aims to provide more meaningful and charitable services to the general public.

## KEEPING THE COMMUNITY WELL

### STRONGHOLD INSURANCE CONDUCTS MEDICAL MISSION IN BACOLOD CITY

With its continuous drive to contribute to societal goals, Stronghold Insurance's Western Visayas Regional Office (WVRO) conducted a Medical Mission in Brgy. Granada, Bacolod City on February 1, 2020.

With the cooperation of Our Lady of Lourdes Parish Pastoral Council and headship of WVRO's Regional Manager Mr. Angelito D. Dumapi, Stronghold was able to provide medical assistance to 138 children, 99 adults and 86 senior citizens (total of 323 individuals). Aside from medical assistance, the company also led a feeding program, and distributed dental kits for the children and slippers for the elderly.

Stronghold has been steering even more CSR activities since its 60th anniversary kick-off last year. This has been the company's way of giving back to the community without which they wouldn't have reached 6 successful decades in the industry.
